## Learning outcomes

• answer true/false and gap-fill questions about a podcast

• catch numbers and frequency words: 'approximately', 'once', 'three times'

• express likes, dislikes and preferences with the Phrase Bank

• say photograph / photographer / piano / pianist with the correct stress

## Stage by stage (45 minutes)

| Min | Stage | Teacher | Students |

## If you are running late (skip in this order)

Bu bosqichlar darsning maqsadiga ta’sir qilmaydi — vaqt yetmasa, shu tartibda tashlab keting.

1. Mini-survey (speaking 2) — vaqt qolsa (~4 daq.).
2. «Memory check» slaydi — og‘zaki (~3 daq.).

3. Practice 7–12-bandlar — uyga (~3 daq.).

## Questions to ask

• What is a survey? Have you ever done one?

• What does 'approximately' mean?

• What do you collect — stamps, badges, comics? Have you got a collection?

• How do you say that you like one thing more than another?

• Where is the stress in 'photographer'?

## Anticipated problems and solutions

• 'I prefer reading than watching TV.' With prefer we use TO: I prefer reading TO watching TV.

• Students write whole sentences while listening. Show how to write only numbers and key words.

• If there is no class audio, the teacher reads our Teen Time script — the tasks for it are on the lesson page.

## Fast finishers / weaker students

Fast finishers write five questions for their own free-time survey; weaker students answer only the true/false part and use the Phrase Bank card for speaking.

## Homework

• Laser A2 Workbook p. 12, ex. 1–3.

• Learn the 28 items with the flashcards: sozlar.com/vocab/cards/?set=grade8-lesson10

• Prepare a one-minute talk about your main hobby for the next lesson (Speaking p. 18).

## Listening script — read aloud three times in all

Darslik audiosi o‘rniga shu matnni o‘qing: birinchi marta (Task 1) tabiiy tezlikda, so‘ng Task 2 uchun yana ikki marta — biroz sekinroq, javob joylarida pauza qilib.

**Nodira:** Hi everyone, and welcome to Teen Time! This is my second podcast — thank you for all your messages after the first one.

**Nodira:** This week I created a survey. I asked twenty friends what they did in their free time during the last month. I didn't ask about schoolwork — only free time!

**Nodira:** I got lots of answers, so I can't use all of them in the show. The most popular hobby? Gaming — twelve of my friends play video games every week.

**Nodira:** Now, one interesting answer. My friend Kamila went to the cinema four times last month, and she watched TV for approximately three hours a week — not much!

**Nodira:** She went swimming only twice, but she played table tennis at a new club every Saturday. Oh, and she got a new badge for her collection — she's got over two hundred now.

**Nodira:** In the next part of the show, you'll hear about my own hobby. See you after the music!
