Match the halves — Group A and Group B

Group A takes the first table, Group B the second one — print one sheet per pair, or cut the page in two. The beginnings are numbered 1–10; the endings are mixed up (a–j). Students draw a line or write the letter next to each number, then read the full sentences aloud and give the Uzbek meaning of the key word. Groups swap tables for a second round.

Group A

#	Beginning		Ending
1	We have breakfast together …	a)	… walk in the park with my dog.
2	When it rains, I …	b)	… from work at six.
