Reading text — Grace and Lily go shopping

Grace: **I'm having so much fun!** It's great to be out shopping. Thanks for coming with me.

Lily: That's OK. I don't normally like shopping very much, but **I'm enjoying myself**. I'm getting some good ideas for my dad's birthday next week. The **music shop** has a CD he wants, and there are one or two good books in the **bookshop**.

Grace: The **shopping centre**'s **busy**, isn't it? There are so many **customers** in every shop! I'm feeling a bit tired now.

Lily: Me too. Here's a **bench**. Let's sit down for a minute and **rest**. Now, what are we looking for?

Grace: Well, I need some clothes for Jacob's party. **Everything is so expensive**, though, and I don't have a lot of money. And you need new shoes.

Lily: Yes. The ones I have are fine, but they don't **match** my skirt. **I'm looking for** some red ones.
