# Match the halves — Group A and Group B

Group A takes the first table, Group B the second one — print one sheet per pair, or cut the page in two. The beginnings are numbered 1–10; the endings are mixed up (a–j). Students draw a line or write the letter next to each number, then read the full sentences aloud and give the Uzbek meaning of the key word. Groups swap tables for a second round.

## Group A

| # | Beginning | | Ending |
|---|---|---|---|
| 1 | I usually get to school … | a) | … learn to play an instrument. |
