• What is the trap in exercise 2?

• How do you show that a story surprised you?

• What is the difference between upset and embarrassed?

Anticipated problems and solutions

• «I lost the bus.» — I missed the bus. Avtobusga ulgurmaslik — miss, narsani yo‘qotish — lose.

• «It was very fun.» — funny (kulgili) yoki fun (maroqli) — ikkisi boshqa.

• «I was embarrassing.» — I was embarrassed. Odam embarrassed bo‘ladi, voqea esa embarrassing.

• «I lost in the old city.» — I got lost in the old city.

Reading text — Three short stories from our class

Dilnoza: Last winter I **lost** my bag on the bus. My phone, my keys, everything! I couldn't believe it. Two days later a woman brought it to our door — nothing was **missing**. It was **strange**, but wonderful.

Bekzod: My teacher, Mr Parker, gave me **a watch** at the end of the year. I said thank you about ten times. Then I looked again: it wasn't working! We both laughed at it. Very funny.

Malika: My best friend **moved to another city** in Year 5. We were good friends then, and we are still good friends now — we write every week. People say **friendships change** from strong to weak, but ours didn't change **at all**.
