Match the halves — Group A and Group B

Group A takes the first table, Group B the second one — print one sheet per pair, or cut the page in two. The beginnings are numbered 1–10; the endings are mixed up (a–j). Students draw a line or write the letter next to each number, then read the full sentences aloud and give the Uzbek meaning of the key word. Groups swap tables for a second round.

Group A

#	Beginning		Ending
1	Who is your favourite actor? …	a)	… great fun!
2	Which footballer …	b)	… brilliant!
3	What do you think of the new cartoon? — It's …	c)	… to you? — An old doctor and his wife.
