Reading text — A noisy evening at our house

It's seven o'clock in the evening. My little sister Malika is six. She can't tell the time yet, so every five minutes she asks me: "Is it bedtime?"

In the kitchen, Grandma is **talking to** our neighbour on the phone. They always **talk about the weather**! The phone line is very bad, so Grandma **says**: "**Speak up**, please! Can you hear me?"

Suddenly my brother **screams**: "Ouch!" A big book falls on his foot. Dad **shouts** from the living room: "What's happening?" My brother **tells the truth** — he's playing football in his bedroom again!

Then Mum comes home. The baby is asleep, so she **whispers**: "Can everyone be quiet, please?" And for five minutes, nobody **says** anything.
