Match the halves — Group A and Group B

Group A takes the first table, Group B the second one — print one sheet per pair, or cut the page in two. The beginnings are numbered 1–10; the endings are mixed up (a–j). Students draw a line or write the letter next to each number, then read the full sentences aloud and give the Uzbek meaning of the key word. Groups swap tables for a second round.

Group A

#	Beginning		Ending
1	Our town has a …	a)	… atlas dresses for the concert.
2	First he wanted pizza, …	b)	… the city centre on Independence Day.
3	There was a colourful parade in …	c)	… then he changed his mind.
