Nodira: The holidays start in two weeks. What event shall we choose for the end of the year?

Nodira: That's a good **suggestion**. But how can people get there? The park is quite far.

Sardor: By bus. It's **near** the bus station, so it's easy.

Nodira: OK. What else do we need to organise? Music? Games?

Sardor: Why don't I bring my **speaker** and **choose the music**? And let's ask Javlon to organise some games — he's good at that.

Nodira: Yes, let's do that. And food? What do guests need to bring?

Sardor: Everyone can bring one thing — fruit, bread, juice. I can **make sandwiches**. Shall I write the list?

Nodira: Yes, please. That would be great. Tomorrow we can tell the class and **vote on** the date!
