Learning outcomes

• interview a partner about a relative’s life story with grow up, be brought up by, leave home, settle down

Stage by stage (45 minutes)

Min	Stage	Teacher	Students
3	**Lead-in — stages of life**	Show the stages-of-life timeline: which stage are you in? Your grandparents? Elicit one family member for each stage.	Answer briefly; place family members on the timeline.
3	**Review quiz — Lesson 1 Word box**	Quick quiz on the review slide: read each definition, pairs say the word (first letter given); spelling of divorced, remarried, stepsister on the board.	Say and spell the six words (+ bonus: loving).
10	**Presentation (4 blocks)**	Present B stages of life (7), C life events (12) and D relatives and generations (6) with the slides; A family situations (8) — the Word box words — only as a quick check: students already met them in the review quiz.	Repeat, copy the difficult ones, ask about unclear words.
5	**Focus — family words and word power**	Focus slide (step- / half / extended family; be vs get divorced) for 2 minutes, then the Word power slide in pairs for 3 minutes.	Say the missing word and make one sentence about their family.
5	**Life story (recycle)**	Groups order the life events and tell a relative’s life in six sentences.	Order the events; one student per group tells the story.
5	**Practice — gap fill**	Exercise 1 on the vocabulary sheet (12 sentences, also on the practice slides): students work alone, then check in pairs; ask which words in the sentence decide the answer.	Fill the gaps, compare, explain the clue.
7	**Interview — a relative’s life story**	Pairs interview each other about a relative’s life story using grow up, be brought up by, leave home, settle down; two or three students report back.	Ask and answer; report two life events from the partner’s story.

Min	Stage	Teacher	Students
5	**Matching activity**	Matching worksheet; Group A and Group B, then swap.	Match halves, read aloud, give the Uzbek meaning.
2	**Feedback and homework**	Correct «married with» (→ married her / got married to her) and «My parents divorced.» used for the present state (→ My parents are divorced; event: They divorced / got divorced in 2020); set the homework (WB p. 5 ex. 1).	Write down the homework.
