Stage by stage (45 minutes)

Min	Stage	Teacher	Students
3	**Lead-in — teams and rules**	Make two teams (Blue — left, Orange — right), choose captains, draw a scoreboard. Rules: one try per team, no copying, English only.	Make teams, choose a team name and a captain.
5	**Quick review A–E + focus**	Go through the cards fast (Uzbek → English, chorally); then the focus slide (five things to remember).	Answer chorally, then individually.
7	**Game 1 — So‘z poygasi: Ma’no poygasi**	Open sozlar.com/oyin/soz-poygasi, set «7-sinf 31-dars», 2 teams, Savollar: Alohida (tug of war). Two players at the panel, the team helps quietly; change players every 3–4 questions.	Choose the Uzbek meaning; pull the rope for the team.
6	**Game 2 — So‘z poygasi: Bo‘shliq**	Same set, mode Bo‘shliq (gap), new players. After the game show the mistakes list and say the right sentences together.	Choose the missing word; repeat the sentences they missed.
6	**Game 3 — Charades: What am I doing?**	Speaking slide: one actor from each team mimes a card; the team asks Are you …ing? Check the short answers (Yes, I am. / No, I’m not.).	Mime, ask and answer in the present continuous.
5	**Game 4 — Shop and shape riddles**	Riddles slide: read each riddle; the first hand up answers in a full sentence. Then each team makes one riddle for the other team.	Guess the shop or shape; make a riddle.

Min	Stage	Teacher	Students
4	**Game 5 — Matching halves race**	Practice slide orally (1 min), then the match-halves worksheet as a race (Group A and B): the first pair with all halves correct wins 2 points.	Match the halves and read them aloud.

4	**Scores, feedback and homework**	Count the points and name the winners; Memory check slide; name the words the teams missed most; set homework.	Say the words they missed; write down the homework.

If you are running late (skip in this order)

Bu bosqichlar darsning maqsadiga ta’sir qilmaydi — vaqt yetmasa, shu tartibda tashlab keting.

1. Rasmli poyga (sozlar.com/oyin/rasm) — «Sport turlari» mavzusi: sport nomlari va What is he doing? — He’s playing … (~5 daq.).

2. «Game day in 7-A» matni — uyda audio bilan o‘qish (~3 daq.).

3. Talaffuz slaydi: do‘kon nomlaridagi oxirgi tovush (~2 daq.).

Questions to ask

• What do you buy at the butcher’s, the florist’s and the grocer’s?

• What are you doing right now? And your partner?

• What is the opposite of wide?

• When do we say Help yourself!?

• Why is it important to play fairly in a team game?

Anticipated problems and solutions

• Students shout the answer in Uzbek — in this lesson only English answers count.

• ‘He carrying a box.’ — He’s carrying a box (be + -ing).

• ‘Are you dance?’ — Are you dancing?

• ‘the butcher’ for the shop — the butcher’s (the shop) / the butcher (the person).

• Only two strong students play — change the players every 3–4 questions.

Fast finishers / weaker students

Kuchli o‘quvchilar topishmoqni o‘zlari tuzadi va pantomimada qiyin kartalarni (carry somebody on your shoulders, whisper a secret) oladi; kuchsizlarga doskada so‘zlar ro‘yxati qoldiriladi, ular jamoada «yordamchi» bo‘lib, javobni sardor bilan kelishib aytadi.

Homework

• Learn the 35 Units 3–4 items with the flashcards: sozlar.com/vocab/cards/?set=grade7-lesson31

• Prepare 5 quiz questions for the class game: one about shops, one in the present continuous, one about shapes, one with a pronoun (yourself, these …) and one with a Unit 4 word.

• Play So‘z poygasi at home in the 1 o‘yinchi mode (set «7-sinf 31-dars») and try to beat your class score.

Reading text — Game day in 7-A

It’s Friday, and 7-A is having a game lesson. The class is in two teams — the Blue team and the Orange team.

Right now the Blue team is playing So‘z poygasi on the big screen. Madina is **shouting** the answers, and Bobur is **whispering**: “The **florist’s**! You buy flowers there!”

The Orange team isn’t playing at the moment. They’re getting ready for charades. Aziz is standing in front of the class. He is carrying something on his shoulders.

“What am I doing?” he asks. “You’re carrying a **heavy** box!” says Lola. “No!” “You’re **carrying somebody on your shoulders**!” “Yes!” But it’s only his school bag!

Then the teacher asks a riddle: “I’m **round** and **flat**, and you eat me with cheese. What am I?” Everyone knows the answer — a pizza!

At the end the score is 21 : 21. “It’s a draw!” says the teacher. Everybody is **laughing**.
