Rustam's room

Rustam has my own room written on his door, but the room is small. Before this year he had to share a room with his cousin. In his **bedroom** there is a **wardrobe** for his clothes, a **desk** under the window and a **shelf** with a lot of books on it.

Over the desk there is a **poster** of his favourite team, and there is a **mirror** near the door. On Monday the room is **tidy**; by Friday it is always **messy**. Nobody helps him, so he cleans it himself.

Rustam has a couple of pets: a **hamster** called Bo‘ta and a **parrot**. He **feeds** them every morning before school. His neighbour has a dog, and Rustam sometimes **takes the dog for a walk** in the evening.

After that he listens to a radio show for teenagers. He listens carefully, but he cannot always catch every word. Then he guesses from the other words, and if he still does not understand, he asks his father to repeat it.

Answer the questions in one sentence.
